## I'M A VISUAL DESIGNER & FILMMAKER

**My creativity thrives** within branding, web & app design, motion graphics, and filmmaking. I'm passionate about details and how they help to elevate my work. I find satisfaction in cleanliness and simplicity.

When I'm not designing, you can find me at yoga, spin class, or the gym. Fitness is one of my obsessions, but so is Salt & Straw—life is all about balance, right? I plan on using my creativity to fuel my desire to travel the world. I also like cats.

## THINGS I CAN DO

### GRAPHIC DESIGN

I'm comfortable working with Adobe Illustrator, InDesign, & Photoshop. I have experience with designing for both digital and print mediums.

### INTERACTIVE & WEB DESIGN

I'm able to code with HTML & CSS to structure and build websites. I also understand how to implement JavaScript & jQuery into sites.

### MOTION GRAPHICS

I'm quite fond of using motion as a way to bring more life to projects. I know my way around Adobe After Effects.

### VIDEOGRAPHY & PHOTOGRAPHY

I have experience shooting and editing videos. I understand lighting, audio, continuity, and other filmmaking and photography principles.

## DESIGN EXPERIENCE

**FREELANCE!**  
*Designer, Filmmaker, Yogi*  
05.17 - Present

The key word is free! I really enjoy having the freedom to balance my work life and my passions. I've become a Yoga instructor on the side, while tackling design and filmmaking opportunities that seem to be coming from all directions!

**HOVERCRAFT STUDIO**  
*Graphic Designer*  
01.17 - 05.17

I was hired on contract at Hovercraft and worked on various projects including environmental, campaign, package, interactive, and motion design. It was nice putting my hard-earned skills to use after graduation!

**API INTERNATIONAL**  
*Graphic Designer*  
09.14 - 09.15

I established a modern aesthetic for API with an updated logo design. I created multiple web and print ads, and I redesigned their product catalog with updated photography and promotional videography.

## I'M ALL GRADUATED

**PORTLAND STATE UNIVERSITY** 2016  
Bachelor's Degree in Graphic Design

**PORTLAND COMMUNITY COLLEGE** 2013  
Associate's Degree
